

<p>JOHN CLARE</p> <p>INSECTS</p>	<p>John Clare was an English poet, the son of a farm labourer, who came to be known for his celebratory representations of the English countryside and his lamentation of its disruption. His poetry underwent a major re-evaluation in the late 20th century, and he is now often considered to be among the most important 19th-century poets. His biographer Jonathan Bate states that Clare was "the greatest labouring-class poet that England has ever produced. No one has ever written more powerfully of nature, of a rural childhood, and of the alienated and unstable self". - Summary by Wikipedia</p> <p>Read by Bruce Kachuk; David Lawrence; Newgatenovelist; Jason Amrhein; Jude; Lee Ann Howlett; Lisa Reichert; Maria Kasper; Matthew Datcher; NoelBadrian and wisegirlstudio .
